INDEPENDENT AUDITOR'S REPORT

February 12, 2020

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary
Dover, Delaware

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of National Council on Agricultural Life and Labor Research, Inc. (a nonprofit organization) and Subsidiary ("NCALL"), which comprise the consolidated statement of financial position as of September 30, 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements,

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary

whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of NCALL as of September 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 2 to the consolidated financial statements, in 2019, NCALL adopted the provisions of Financial Accounting Standards Board Accounting Standards Update 2016-14. Our opinion is not modified with respect to this matter.

Report on Summarized Comparative Information

We have previously audited NCALL's September 30, 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 31, 2019. In our opinion, the summarized comparative information presented herein as of and the for the year ended September 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of financial position and schedule of activities - NeighborWorks® America Capital Fund are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"), is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 12, 2020 on our consideration of NCALL's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering NCALL's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 GENERAL

The National Council on Agricultural Life and Labor Research, Inc. ("NCALL") was organized in 1955 as a nonprofit corporation and has been providing housing technical assistance and affordable housing services since 1976. NCALL competes for funding in the form of contracts, grants, and cooperative agreements from the federal, state, and private sectors when it is available. The mission of the Organization, simply put, is:

"To promote affordable housing, improved communities, and sustainable development. To that end, we seek to:

- Educate and empower customers to achieve their housing goals and improve their finances.
- Develop affordable housing and strengthen the capacity of other nonprofit housing organizations.
- Provide innovative lending and services targeted to affordable housing and community development.
- Increase public awareness about housing needs and resources, and advocate for improved public policy."

NCALL is governed by a 15-member Board of Directors from the Organization's service area.

NCALL was chartered as a NeighborWorks® America ("NWA") Organization in 2003. The affiliation with NWA requires ongoing reporting and regular management reviews. NCALL maintained its "Exemplary" rating, and NWA last conducted a program review in May 2018 which resulted in NCALL exceeding or meeting all evaluation criteria. It also provides opportunities for grant and capital funding, along with training slots for NWA's training institutes. NCALL is one of only two organizations within Delaware with the NeighborWorks® designation.

NCALL was certified as a Community Development Financial Institution ("CDFI") during fiscal year 2005 by the U.S. Department of Treasury. As of September 30, 2019, this certification was in good standing.

As a CDFI, NCALL participates in the Comprehensive Ratings for CDFI Investments (Aeris) annual review and rating process. The process is a positive experience and yields a substantial report and current rating of three stars for impact performance, a rating of AA for financial strength and performance, and a Policy Plus designation.

In July 2019, Hearn Ownership, LLC was created to purchase, or in any way acquire including acquisitions at foreclosure sale, for investment or for sale, development, or otherwise, lands, contracts for the purchase or sale of lands, buildings, improvements, personal property, and

any other real or personal property of any kind. NCALL is the sole corporate member of Hearn Ownership, LLC, which has a fiscal year end of December 31.

Principles of Consolidation

The consolidated financial statements include the accounts of the NCALL and its wholly owned subsidiary. The Board of Directors of NCALL and its wholly owned subsidiary are substantially identical. Significant interorganizational accounts and transactions have been eliminated.

Basis of Accounting

The financial statements of the NCALL have been prepared on the accrual basis of accounting as required by accounting principles generally accepted in the United States of America ("generally accepted accounting principles").

Financial Statement Presentation

In accordance with the section of the Financial Accounting Standards Board's Accounting Standards Codification ("FASB ASC") regarding financial statements of not-for-profit organizations, NCALL is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction. In addition, NCALL is required to present a statement of cash flows.

Recognition of Donor Restrictions

Donor-restricted support is reported as an increase in net assets with donor restriction. When a restriction expires, net assets with donor restriction are reclassified to net assets without donor restriction.

Net Assets with Donor Restriction

Net assets with donor restriction include funds restricted by funding sources. NCALL reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, purpose restriction is accomplished, or the donor releases the restriction, net assets with donor restriction are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restriction.

Cash and Cash Equivalents

For purposes of the statement of cash flows, NCALL considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Investments

Investments are reported at fair value. Donated securities also are reported at fair value as of the date of receipt. All realized and unrealized gains and losses arising from fluctuations in market values, sales, or other disposition of assets are accounted for in the class of net assets that owns the assets.

Level 1 – Financial assets valued using Level 1 inputs are based on unadjusted quoted market prices within active markets.

Level 2 – Financial assets valued using Level 2 inputs are based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

The fair value of the investments with the Delaware Community Foundation are determined based on observable market factors not included in Level 1, such as quoted market prices for similar assets or liabilities in an active or nonactive market. NCALL's portion of the investment pool is valued by the Delaware Community Foundation on a monthly basis. The investments in the pool are actively traded and valued using quoted market prices. However, since the investments are pooled funds, they are designated as Level 2 investments.

Level 3 – Financial assets valued using Level 3 inputs are determined by valuation methodologies that are unobservable and significant to the fair value measurements.

Grants and Accounts Receivable

Grants and accounts receivable are stated at unpaid balances. Receivables are considered impaired if full principal payments are not received in accordance with the payment terms. Grants and accounts receivable are considered by management to be fully collectible and, accordingly, no allowance for grants and accounts receivable losses has been recorded as of September 30, 2019.

Loans Receivable

Loans receivable represent funds advanced to qualified organizations that have a primary mission of affordable housing and/or community development. Loans are stated at unpaid principal balances less an allowance for loan losses. The allowance for loan losses is estimated to be five percent of the outstanding loan balance plus any amounts known to be uncollectible and additional amounts determined by management based on the loan's internal risk rating. Past due status is determined based on contractual terms.

Loans are considered impaired if full principal or interest payments are not anticipated in accordance with the contractual terms. Loans are written off as a charge to the allowance for loan losses when, in management's estimation, it is probable that the receivable is worthless. Loan security is outlined in the promissory notes.

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding. Loan origination and commitment fees are not material to the financial statements and are recognized as revenue when the loan closes.

Loans receivable are placed on nonaccrual status when management believes, after considering economic conditions, business conditions, and collection efforts that the loans are impaired or collection of interest is doubtful. Uncollected interest previously accrued is charged off or an allowance is established by a charge to provision for loan losses. Interest income on nonaccrual loans is recognized only to the extent cash payments are received.

Assets Held for Sale

Assets held for sale are valued at the lower of cost or market. Toward the end of fiscal year 2016, NCALL began construction of its first "for sale" home within the Restoring Central Dover footprint. The sale of homes is recognized net of the value of the asset held for sale. Grant revenues received to supplement project costs are recognized separately.

Property and Equipment

NCALL capitalizes all expenditures for property in excess of \$5,000. Property and equipment are stated at cost at date of acquisition or fair market value at date of donation. Property and equipment are depreciated on the straight-line method over the estimated service lives of the respective assets. Estimated service lives for furniture and equipment are five to ten years. The estimated service lives for the buildings and building improvements are five to fifty years. Expenditures for maintenance, repairs, minor renewals, and betterments which do not improve or extend the useful life of the respective asset are expensed.

Other Real Estate Owned

Foreclosed real estate includes both formally foreclosed property and in-substance foreclosed property. In-substance foreclosed properties are those properties for which the institution has taken physical possession, regardless of whether formal foreclosure proceedings have taken place.

At the time of foreclosure, foreclosed real estate is recorded at the fair value less cost to sell, which becomes the property's new basis. Any write-downs based on the asset's fair value at date of acquisition are charged to the allowance for uncollectible accounts. After foreclosure, valuations are periodically performed by management and property held for sale is carried at the lower of the new cost basis or fair value less cost to sell. Costs incurred in maintaining foreclosed real estate and subsequent adjustments to the carrying amount of the property are included in income or loss on foreclosed real estate.

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Income Taxes

NCALL is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to NCALL's tax-exempt purpose may be subject to taxation as unrelated business income.

Generally accepted accounting principles prescribe rules for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in NCALL's tax returns. Management has determined that NCALL does not have any uncertain tax positions or associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that NCALL's tax returns will not be challenged by the taxing authorities and that NCALL will not be subject to additional tax, penalties, and interest as a result of such challenge.

Advertising

NCALL expenses the production costs of advertising when incurred. Advertising expense is classified as marketing expense in the statement of functional expenses.

Allocation of Functional Expenses

The costs of providing the programs and other activities have been summarized on a functional basis in the statement of activities. Whenever possible, costs are directly assigned to the program functions using the direct identification method based on the nature of the expense. Accordingly, certain costs have been allocated among the functions utilizing NCALL's indirect cost rate as further explained in Note 8.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Prior Year Financial Statements

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with NCALL's financial statements for the year ended September 30, 2018, from which the summarized information was derived.

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Implementation of FASB ASU 2016-14

During the year ended September 30, 2019, NCALL implemented Financial Accounting Standards Board Accounting Standards Update ("FASB ASU") 2016-14. FASB ASU 2016-14 provides new and expanded guidance for financial reporting for not-for-profit entities. The implementation of FASB ASU 2016-14 has resulted multiple changes to NCALL's financial reporting. Net assets are now categorized in two categories; net assets with donor restriction and net assets without donor restriction. NCALL has added additional disclosures related to its financial liquidity and the availability of financial assets for general expenditure within one year from each statement of financial position date.

This accounting guidance has been implemented retrospectively; however, the implementation of this guidance did not require restatement of prior accounting period balances.

NOTE 3 PROGRAM ACTIVITIES

A description of NCALL's programs are listed below and on the pages that follow.

RHS Self-Help Housing Technical and Management Assistance Contract (Self-Help Housing)

NCALL is funded by the Rural Housing Service, USDA, to provide technical and management assistance and training to new and operating self-help housing grantees throughout the 21-state northeast region. The region extends from Virginia north to New England and west to Minnesota. NCALL is responsible for providing technical and management assistance in construction, accounting, scheduling, and housing development to local self-help housing programs. NCALL also is called upon to conduct training, publish newsletters, and help resolve problems. NCALL is operating under a five-year contract which started in April 2018.

Farmworker Housing Technical Assistance

NCALL is a member of the Southeast Housing Consortium ("SEHC"), which is a group of nonprofit organizations specializing in rural and farmworker housing. Members of the SEHC are subgrantees of a grant awarded by the U.S. Department of Labor ("DOL") Employment and Training Administration, operated under the authority of the Workforce Investment Act ("WIA"), Section 167. Florida Non-Profit Housing, Inc. ("FNPH") serves as grantee/lead agency for the SEHC, with responsibility for monitoring subgrantee activities. The SEHC's goals are to eliminate substandard housing and alleviate excessive housing cost for agricultural workers. Under the allowable activities of the grant program, NCALL provides technical assistance to nonprofit organizations who develop or preserve farmworker housing on the Delmarva Peninsula. Services can include packaging housing financing applications, housing development assistance, and problem solving.

NOTE 3 PROGRAM ACTIVITIES (cont'd)

Rural Community Development Initiative - Delaware

NCALL competed for and received a three-year USDA Rural Community Development Initiative ("RCDI") grant to provide organizational development and rental housing development assistance to Better Homes of Seaford and Millsboro Housing for Progress in Delaware. A three-year RCDI grant was awarded which began in September 2017 and will operate to September 2020.

Real Estate Development

Real estate development includes the development and construction of single-family housing and multi-family apartments. NCALL is purchasing lots and building for-sale homes in the Restoring Central Dover footprint. Four houses were built during fiscal year 2019, and additional building lots continue to be purchased. NCALL continues to successfully package LIHTC apartment projects and associated financing for other nonprofit sponsors. The single and multi-family housing work is supported by developer fees and grants.

Restoring Central Dover

NCALL is the lead organization for a neighborhood planning and revitalization initiative for downtown Dover and chairs the steering committee. The implementation phase started mid-fiscal year 2015 with a five-year Wells Fargo Regional Foundation Implementation Grant. Implementation of the plan is being carried out by NCALL staff, the steering committee, and five work groups in the areas of housing, safety, economic development, community engagement, and transportation/infrastructure.

Housing Counseling

NCALL is funded by grants and fees from a variety of financial institutions and governmental entities to assist low and moderate-income families to become first-time homebuyers throughout Delaware. The education and counseling provided by NCALL enables families to become more knowledgeable about the home buying and mortgage approval process, while helping families prepare financially for the step to homeownership. NCALL assists qualified families to obtain affordable home mortgage financing, including down payment and settlement assistance. The program also assists families with budget and financial management, submission of mortgage applications, understanding homeownership responsibilities, and the settlement process, all through group workshop sessions and individual counseling.

Foreclosure Prevention

NCALL provides mortgage default and foreclosure prevention services in Delaware and is funded primarily by fees from the Delaware State Housing Authority. Services include individual

counseling and offering remedies and support. NCALL assists families in seeking modified mortgages that are more affordable and sustainable. The Organization participates in Delaware's Foreclosure Mediation Program.

National Foreclosure Mitigation Counseling

NeighborWorks® America provides funding support for foreclosure prevention work through its National Foreclosure Mitigation Counseling ("NFMC"). NCALL applied for funding directly to NeighborWorks® and supplemental funding was provided in 2019. Funding is provided by reimbursements for levels of counseling services on a fee basis.

Stand By Me Financial Coaching

NCALL is one of the nonprofit providers of financial coaching services for Kent County and Sussex County, Delaware under the Stand By Me financial coaching program implemented by the Delaware Financial Empowerment Partnership. As such, NCALL hires financial coaches to work with a variety of venues within Central and Southern Delaware, such as Dover Downs serving its employees, Delaware Technical & Community College serving students, and Public Housing serving the residents. NCALL signs an annual memorandum of understanding with United Way of Delaware for each year, which is providing the majority of funding for this service.

Loan Fund

NCALL is certified as a Community Development Financial Institution and a Community Development Entity by the U.S. Department of Treasury. These certifications reflect the authority of the Loan Fund to offer additional products and services to better address the affordable housing, community development, economic development, and nonprofit credit needs of its customer base. A committee of six NCALL Board Members or Board-approved appointees oversees the Loan Fund and is responsible for recommending policies and the loan approval process. NCALL's Board of Directors is responsible for Loan Fund governance.

NCALL has been actively seeking capital, investment, and loan participations while building Loan Fund infrastructure to address the substantial community development demand. Experienced staff managing the fund includes a loan fund director, manager, servicer, and loan officers. The Loan Fund received a substantial AERIS rating of three stars for impact performance, a rating of AA for financial strength and performance, and a Policy Plus designation.

NOTE 4 INVESTMENTS

Investments consist of certificates of deposit with original maturities of more than three months. The fair value of these investments using Level 2 inputs as of September 30, 2019 amounted

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 4 INVESTMENTS (cont'd)

to \$1,403,918. Interest accrues at rates ranging from 0.35 percent to 2.62 percent. As of September 30, 2019, \$1,249,457 of the certificates of deposit were due within one year. NCALL is also invested in the Delaware Community Foundation investment pool. The fair value of these investments using Level 2 inputs as of September 30, 2019 amounted to \$21,758.

NOTE 5 ALLOWANCE FOR LOAN LOSSES

For the year ended September 30, 2019, the change in the allowance for loan losses is as follows:

	Beginning Allowance for Loan Losses	Reclassify	Provision for Loan Losses	Charge-offs	Ending Allowance for Loan Losses
Affordable Housing	\$ 1,240,722	\$ (303,349)	\$ 249,313	\$ -	\$ 1,186,686
Community Facilities	699,778	(245,500)	-	-	454,278
Commercial/Revitalization	-	250,679	-	-	250,679
Other Real Estate Owned	-	298,170	150,687	-	448,857
Total Allowance	<u>\$ 1,940,500</u>	<u>\$ -</u>	<u>\$ 400,000</u>	<u>\$ -</u>	<u>\$ 2,340,500</u>

The ending balance in the allowance for loan losses is attributed to loans that have been evaluated collectively. As necessary, adjustments are made to NCALL's method of estimating the allowance for loan losses.

NOTE 6 CREDIT QUALITY OF LOANS RECEIVABLE

NCALL monitors the credit quality of its loans receivable by assessing the collection experience of existing borrowers, the creditworthiness of new borrowers, and the sufficiency of collateral related to the receivables. Loan security is outlined in the promissory notes.

Each loan is risk rated when approved. The risk rating is reviewed annually after approval and closing. Loans will be reviewed more frequently if they are/become rated below Adequate or have performance issues. The risk ratings are consistent with community development lending standards and are: Good, Standard, Adequate, Watch, Sub-standard, and Doubtful/OREO. NCALL's standard Allowance for Loan Losses ("ALL") is five percent against all portfolios outstanding. Special, additional reserves are defined with each rating below, where appropriate.

The internal risk ratings are as follows:

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 6 CREDIT QUALITY OF LOANS RECEIVABLE (cont'd)

Good

The loan request, and the borrower, exceeds underwriting criteria related to: quality of collateral, strength of loan repayment, supportive market conditions, and a strong financial condition. An additional allowance is not required for this rating.

Standard

The loan request and the borrower meet all of the underwriting criteria: quality of collateral, strength of loan repayment, supportive market condition, and an acceptable financial condition. An additional allowance is not required for this rating.

Adequate

The loan request and the borrower meet the underwriting criteria with the understanding that there may be some weaknesses with certain criteria that would be offset by other criteria. Some weaknesses may be created by market issues, or given the size and type of borrower. These criteria do not mean that the borrower or project is weak; this situation is typical with community development projects. There may be loan policy exceptions which may prevent the loan from being rated Good or Standard, and additional loan monitoring may occur. An additional allowance is not required for this rating, but additional performance measures may be recommended that are not allowance related.

Watch

The loan request and the borrower no longer meet all the underwriting criteria, so there are one or more weaknesses to address. A specific financial loss may not be expected at this time, so the rating pertains to time and effort to offset weaknesses. The loan may, or may not, be late with its payments. A Watch rating is for shorter terms, with the expectation that the rating improves or deteriorates within six to twelve months of the Watch rating. An additional allowance of up to 25 percent of the amount may be recommended for the Watch-rated loan.

Sub-Standard

The loan and the borrower are in default, and there is an expectation that financial loss may occur, or already has done so. When the loan reaches 90 days past due, it will be placed on nonaccrual status. If the loan cannot be cured within a reasonable time (within six months from the receipt of this rating), staff will prepare a plan of action for the review and approval of the Loan Fund Committee. A plan may include restructuring the loan, charge-off, an extension for other repayment sources, etc. It may take 12-18 months to cure the loan after the plan of action has been approved. An allowance for loan losses of up to 50 percent of the loan amount may be considered with this rating.

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 6 CREDIT QUALITY OF LOANS RECEIVABLE (cont'd)

Doubtful/Other Real Estate Owned ("OREO")

The loan and borrower continue to be in default, and there is no expectation of a repayment strategy. Disposition and charge-off actions are recommended by staff to the Loan Fund Committee. Approval for the charge-off process (time and amount) is required. An allowance for loan losses of up to 100 percent of the loan amount will be considered with this rating.

The information used to internally rate loans receivable was updated as of September 30, 2019.

As of September 30, 2019, loans were split between the following portfolio segments:

Affordable Housing	\$ 7,510,907
Community Facilities	9,085,553
Commercial/Revitalization	5,013,582
Total Loans Receivable, Gross	<u>21,610,042</u>
Allowance for Loan Losses	<u>(2,340,500)</u>
TOTAL	<u>\$ 19,269,542</u>

As of September 30, 2019, the loan ratings and amounts by portfolio segment were as follows:

	Good	Standard	Adequate	Watch	Sub- Standard	Total
Affordable Housing	\$ -	\$ -	\$ 6,264,342	\$ -	\$ 1,246,565	\$ 7,510,907

Commercial/Revitalization	-	-	4,513,582	500,000	-	5,013,582
Total Loans Receivable, Gross	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,863,477</u>	<u>\$ 500,000</u>	<u>\$ 1,246,565</u>	<u>\$ 21,610,042</u>

As of September 30, 2019, the loan aging by portfolio segment was as follows:

	Current	31-60 Days Past Due	61-90 Days Past Due	91+ Days Past Due	Total
Affordable Housing	\$ 6,264,342	\$ -	\$ -	\$ 1,246,565	\$ 7,510,907
Community Facilities	9,085,553	-	-	-	9,085,553
Commercial/Revitalization	5,013,582	-	-	-	5,013,582

NOTE 7 LOANS RECEIVABLE SOLD WITHOUT RECOURSE

NCALL has sold loans receivable to financial institutions with no recourse to the Organization. The outstanding balance of the no-recourse loans at September 30, 2019 was \$13,153,675.

NCALL sold a loan participation in the amount of \$400,000 (\$388,176 balance at September 30, 2019) to Partners for the Common Good. Until the loan balance is less than \$768,300, NCALL agrees to take first loss of \$65,000 in the event of default. The loan matures on June 1, 2020.

NCALL sold a loan participation in the amount of \$2,350,000 (\$2,209,738 balance at September 30, 2019) to Partners for the Common Good and Barclays Bank (total loan amount of \$2,700,000), of which NCALL agrees to take first loss of \$14,400 in the event of default. The loan matures on November 1, 2019.

NCALL sold a loan participation in the amount of \$2,500,000 (\$2,427,930 balance at September 30, 2019) to Barclays Bank Delaware and Deutsche Bank Trust Company Delaware (total loan amount of \$3,500,000), of which NCALL agrees to take first loss of \$350,000 in the event of default. The loan matures on December 1, 2019.

NCALL sold a loan participation in the amount of \$500,000 (\$438,051 balance at September 30, 2019) to Enterprise Community Loan Fund (total loan amount of \$750,000), of which NCALL agrees to take first loss up to 15 percent of the original loan amount in the event of default. The loan matures on November 1, 2019.

NCALL sold a loan participation in the amount of \$1,425,000 (\$928,193 balance at September 30, 2019) to Enterprise Community Loan Fund (total loan amount of \$1,900,000). The loan matures on February 2, 2024, but NCALL agrees to repay the participant its entire outstanding balance no later than January 31, 2023.

NCALL Research, Inc. services, administers, and collects the receivables on behalf of the purchaser. NCALL Research, Inc. has not recognized a servicing asset or liability because it is impracticable to estimate its fair value.

NOTE 8 INDIRECT COSTS

As required by federal funding sources, in accordance with Office of Management and Budget Guidelines, NCALL maintains separate accounts to identify indirect costs. While most costs (direct costs) can be identified as pertaining to a specific program, other costs (indirect costs) actually apply to more than one program. These costs are accumulated in an "indirect cost pool," then allocated semi-monthly to grants and contracts based upon a predetermined rate of 20.5 percent for 2019 of total direct costs. This provisional indirect cost rate has been

NATIONAL COUNCIL ON AGRICULTURAL LIFE AND LABOR RESEARCH, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 8 INDIRECT COSTS (cont'd)

carefully developed to allocate costs in a consistent, equitable, and reasonable manner and has been approved by NCALL's cognizant agency, the U.S. Department of Interior. The allocation on pages 6 through 8 is shown to assist funding sources in determining the total cost of each program.

NOTE 9 PROPERTY AND EQUIPMENT

As of September 30, 2019, property and equipment consisted of the following:

Land	\$ 250,000
Construction-in-progress	422,535
Buildings	1,296,434
Furniture and equipment	104,130
Accumulated depreciation	<u>(510,247)</u>
TOTAL	<u>\$ 1,562,852</u>

NOTE 10 NET ASSETS WITH DONOR RESTRICTION

As of September 30, 2019, net assets were restricted by donors for the following programs:

Purpose restricted:	
Self-Help Housing	\$ 389,652
National Foreclosure Mitigation Counseling	16,189
Farmworker Housing Technical Assistance	2,432
Restricted in perpetuity:	
NeighborWorks® America capital grant	343,000
Delaware Community Foundation Trust	<u>10,000</u>
TOTAL	<u>\$ 761,273</u>

NeighborWorks® America capital grants are restricted for making loans and for capital projects. The capital grants are restricted in perpetuity although proceeds on capital projects, or interest earned, over and above the corpus may be transferred to net assets without donor restriction for furthering NCALL's mission. However, should NCALL become defunct, all remaining grant funds, interest earnings, capital projects proceeds, and the loan and capital projects portfolios representing the use of these funds will revert to NeighborWorks® America.

In September 2019, NeighborWorks® America released from restriction \$147,000 in grant funds previously classified as net assets with donor restriction in perpetuity by NCALL. Accordingly, this amount has been shown as net assets released from restriction in the statement of activities.

NOTE 19 RELATED PARTY TRANSACTIONS

Each year, the Board of Directors conducts a formal process of discerning, disclosing, and monitoring potential conflicts of interest between its members. This same process extends to its staff and contractors. NCALL's policies require any individual to recuse themselves from any matters regarding a potential conflict of interest.

The NCALL representatives at the committee and staff level adhere to a disclosure and conflict-of-interest policy in the event a customer or loan request comes in wherever there may be involvement with a loan fund committee member.

As of September 30, 2019, NCALL had outstanding loans totaling \$284,018 to Diamond State Community Land Trust, Inc. ("Diamond State"). An employee of NCALL is a member of the Board of Directors of Diamond State Community Land Trust, Inc.

As of September 30, 2019, NCALL had outstanding loans totaling \$1,041,429 to Dover Interfaith Mission for Housing, Inc. A member of the Board of Directors of Dover Interfaith Mission for Housing, Inc. is on the Board of Directors of NCALL. Also, an employee of NCALL is a member of the Board of Directors of Dover Interfaith Mission for Housing, Inc.

As of September 30, 2019, NCALL had outstanding loans totaling \$627,713 to Solid Rock Baptist Church. The pastor of Solid Rock Baptist Church is an employee of NCALL.

As of September 30, 2019 NCALL had participation agreements with Partners for the Common Good in the amount of \$2,597,914. An employee of NCALL is a member of the Board of Directors of Partners for the Common Good.

NOTE 20 LINES OF CREDIT

In August 2016, NCALL opened and maintained a secured line of credit with the Wilmington Savings Fund Society in the amount of \$500,000. The line of credit is secured by the properties held in assets held for sale. Outstanding amounts against this line are charged a variable rate of interest at a minimum of four percent per year. As of September 30, 2019, the outstanding balance was \$0.

In August 2017, NCALL entered into an unsecured line of credit agreement with Shore United Bank in the amount of \$250,000. Outstanding amounts against the line of credit are charged a variable rate which is based on the highest prime rate published in the Wall Street Journal (5.0 percent as of September 30, 2019). As of September 30, 2019, the outstanding balance was \$0.

NOTE 21 LIQUIDITY AND AVAILABILITY OF RESOURCES

NCALL's financial assets consist of cash and cash equivalents, accounts receivable, grants receivable, current investments, and the current portion of loans receivable.

The following reflects NCALL's financial assets as of September 30, 2019, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date. INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

February 12, 2020

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary
Dover, Delaware

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of National Council on Agricultural Life and Labor Research, Inc. (a nonprofit organization) and Subsidiary ("NCALL"), which comprise the consolidated statement of financial position as of September 30, 2019, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 12, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered NCALL's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of NCALL's internal control. Accordingly, we do not express an opinion on the effectiveness of NCALL's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of NCALL's financial statements will not be prevented, or detected and corrected, on a

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary

timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether NCALL's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of NCALL's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering NCALL's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON
COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE

February 12, 2020

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary
Dover, Delaware

Report on Compliance for Major Federal Program

We have audited National Council on Agricultural Life and Labor Research, Inc. and Subsidiary's ("NCALL") compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on NCALL's major federal program for the year ended September 30, 2019. NCALL's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and recommendations.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for NCALL's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about NCALL's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

To the Board of Directors
National Council on Agricultural Life and
Labor Research, Inc. and Subsidiary

We believe that our audit provides a reasonable basis for our opinion on compliance for its major federal program. However, our audit does not provide a legal determination of NCALL's compliance.

Opinion on Major Federal Program

In our opinion, NCALL complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2019.

Report on Internal Control Over Compliance

Management of NCALL is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered NCALL's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of NCALL's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

NOTE A BASIS OF ACCOUNTING

All expenditures included in the schedule of expenditures of federal awards are presented on the basis that expenditures are reported to the respective federal grantor agencies. Accordingly, expenditures are recorded when the federal obligation is determined.

NOTE B FEDERAL EXPENDITURES

The schedule of expenditures of federal awards reflects federal expenditures for all individual grants which were active during the fiscal year.

NOTE C INDIRECT COST RATE

NCALL did not use the federal de minimis indirect cost rate of 10 percent on their federal grants for the year ended September 30, 2019.

As required by federal funding sources, in accordance with Office of Management and Budget Guidelines, NCALL maintains separate accounts to identify indirect costs. While most costs (direct costs) can be identified as pertaining to a specific program, other costs (indirect costs) actually apply to more than one program. These costs are accumulated in an "indirect cost pool," then allocated semi-monthly to grants and contracts based upon a predetermined rate of 20.5 percent for 2019 of total direct costs. This provisional indirect cost rate has been carefully developed to allocate costs in a consistent, equitable, and reasonable manner and has been approved by NCALL's cognizant agency, the U.S. Department of Interior.
